

We have a "Sound Mate Personal Listening System" in our church with assistive listening devices available for those who have difficulty hearing. If you would be interested in using one, please check in at the sound booth in the back corner of the sanctuary.

There is a staffed nursery during worship for ages 3 and under. An unstaffed nursery is located to the left side of the sanctuary and is available if desired for parents and children.

Junior Church ~ We will not be having our regular Junior Church program today. We will resume next Sunday.

Offering ~ We will not be taking a formal offering this morning during the Kid's Christmas Musical. Tithes and offerings can be placed in the offering plates on the Literature Table in the back of the Sanctuary. Thank you.

Camp Creek Church is affiliated with Village Missions, an organization dedicated to keeping country churches alive in rural North America. Each week we spotlight a Village Missionary couple and the church and community they serve.

VM PRAYER SPOTLIGHT ~

Nathan & Michele Bice serve the Lord with Village Missions at Interior Community Church in Interior, SD and they write this spotlight on their ministry.

Interior is a small ranching community just outside of the Badlands National Park in South Dakota. The people here work very hard and everyone helps their neighbors during the different ranching seasons, whether helping with cattle or hay. They

have a profound sense of community here. Tourism in the Badlands brings a lot of business to the local economy as people travel through the Park.

PRAYER REQUEST: Please pray for our family as we are new in the community. Please pray for the people we meet to be open to receive the gospel and give their lives to Christ. Pray for those who live on the reservation. The suicide rate is extremely high among the children and young adults.
