"The mission of Camp Creek Church is to reach out in love to those around us by introducing them to Jesus Christ and His life-changing power."

June 14, 2020

## Welcome to Camp Creek Church!

We are glad that you could be with us as we regather for church! It is a joy to be with you after many weeks of being apart. May the Lord richly bless our time together worshipping Him and celebrating His Table.

The recorded version of today's service will be available on our Camp Creek Church Facebook page and at [campcreekchurch.net](http://campcreekchurch.net) at 2pm this afternoon. Tell a friend who couldn't be here today to "tune in" and view the service.

We are continuing to collect items for the **Operation Christmas Child Shoe Boxes**  
May/June Items: small toys  
The collection barrel is at the back of the Sanctuary. **Thank you!**

Please continue to use the **One Church One Day Prayer Guide** that you received last week to pray for the requests all month.  
God is moving powerfully as we pray!

#### VM PRAYER SPOTLIGHT ~ JD & Katie Milton

serve the Lord with Village Missions at West Hoosick Baptist Church in Buskirk, NY and they write this spotlight on their ministry ...

West Hoosick Baptist Church is located about 30 miles northeast of Albany, NY, right on the Vermont border. Our little church is often forgotten on the backroads outside of our community. Once a bustline river town with several factories, Hoosick now suffers lasting effects from those now-closed factories that dumped chemical waste into the rivers and has contaminated the water supply with harmful PFOA. The farms that dot the countryside used to be thriving chicken and dairy farms, but very few are still in working order. Some folks work for small businesses in town, but a vast majority commute to the city for work or are enjoying retirement.

#### PRAYER REQUESTS:

- 1) Pray for opportunities to meet and develop relationships with the young families in our community.
- 2) Pray for the spiritual and physical growth of our church.
- 3) Pray for wisdom in when to reopen our church building, and that we would take necessary precautions to protect our elderly congregation from COVID-19.
