## april prayer points:

- Ask God to lead His people into a season of extra-ordinary prayer for CityFest and for people to come to know Him.
- Pray for God's Spirit to equip every Jesus-follower to share their faith and the Gospel with others.
- Pray for Jesus & the Gospel to be clearly seen by people in your life and our whole community.
- Pray for God to lead all the planning and communication for every outreach this summer (women, first responders, youth, children, CityFest on July 28, etc).
- Pray for the Hispanic Re:New Rally on August 21: for boldness for all who attend + for a great harvest in the local Hispanic community.
- Pray for God to provide all the funds through fundraising efforts this Spring.
- Pray for CityServe: For a great impact and witness as churches serve schools, vulnerable kids/families + the affordable housing crisis.
- Pray for Luis Palau, as he resumes chemo therapy for stage four lung cancer. Pray for God to heal him completely!
