Began working at Dove Medical in July, 2015

Why did you want to work at Dove Medical and why do you continue to do so? God called me to serve at Dove Medical after working 20-years in the local TV news industry (10+ years at KVAL). It was becoming increasingly evident that the Lord wanted me to get out of local TV and get into something more rewarding. While serving as news director at KTVH in Helena, MT, God led me and my wife Maggie to apply to Dove Medical. It was clear by the way God was orchestrating everything, that He wanted me to serve in this capacity. My passion is to serve the Lord in whatever He's called me to do. I will pursue that with my utmost effort.

What do you hope to accomplish with your job at Dove Medical? My first and main goal is to bring glory to God in all that I do. I hope to help Dove Medical grow in terms of donor communication, web and social media presence and bring more community awareness as to who Dove Medical is.

Favorite Bible verse: Romans 5:8 "But God demonstrates his own love for us in this: While we were still sinners, Christ died for us."

Church Home: Emerald Bible Fellowship

Favorite food: Lobster & BBQ

Family: I am married to the Dove Medical clinic manager, Maggie.

Born: July 3, 1975 in Pocatello, ID

School: Idaho State University (Pocatello), majored in Mass Communications

Hobbies: I enjoy watching sports, riding my bicycle, running, hiking, the outdoors, playing video games and learning about volcanoes. My first memory is the 1980 Miracle on Ice.
